**Michael McMillan , Director, Ethics and Professional Standards,  
CFA Institute-**

**Ethical Decision Making Workshop  
Invitation to CFA, ASSA members and invited guests**

- Can ethics be dangerous to your career?
- What should you do if you are asked to do something that you believe is illegal or unethical?

Although ethical dilemmas are a normal and predictable part of most jobs, they can be dangerous to your career if you are not prepared for the organizational challenges that may test your personal values, moral beliefs, and commitment to doing the right thing.
